

DOMINICK SQUICCIARINI, MPH, MBA

National Director, Strategic
Partnerships, Health Care, and Nursing

Email: dsquicciarini@kaplan.edu
Ph: 815.505.5298

With previous experience as an educator, researcher, and health care provider, Dominick Squicciarini is passionate about education and its transformative effects. In fact, for the last 10 years, as a Kaplan University assistant dean of curriculum, he has helped launch innovative nursing and health science programs from associate's to doctoral-level degrees. As national director, he now shares that passion by helping organizations connect their strategic goals to customized educational solutions.
